

Dear Friend:

A college education is one of life's most important decisions, and for a Christian, the will of God is vital. During the years of college education, many life-impacting and life-changing decisions will be made. What better place to make those decisions than in a Bible-centered, family-oriented college that places supreme importance on obedience to Scripture and the value of the individual?

The enclosed materials should give you a good profile of Ambassador Baptist College. After looking through the information, if you have questions or need additional information, please feel free to call our office. Our office or administrative staff would be delighted to answer any questions you may have.

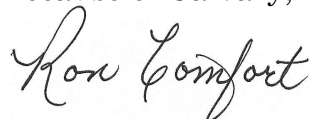

In addition to the materials in this packet, you will find other pertinent information on the college website at [www.ambassadors.edu](http://www.ambassadors.edu). On the website you can view the college video and meet some of our students and faculty, as well as to get a glimpse of our campus.

Ambassador Baptist College is unique in that it is a single-focus college-----that of training men and women for full-time Christian service. Our curriculum is designed with the ministry in mind. Every class, every chapel message, every social activity, every function of the college aims toward preparation for Christian service. Perhaps you are unsure about a call to ministry, but have a heart for God and His will. What better place to determine the will of God than in a warm-hearted Bible college atmosphere?

Please visit the college at your earliest opportunity. You will find our faculty, staff, and students friendly, helpful, and eager to assist you. Plan your visit to include one of the 9:00 A.M. chapel services, for chapel is the highlight of the day at Ambassador.

Thank you for your interest in Ambassador Baptist College. If God directs you to prepare for ministry here, it will be our joy to help give you the tools needed for effective, fruitful Christian service.
